

WE are Wyndham Vale! Get involved!

Did you know that Wyndham Vale is the fastest growing suburb in Australia?

Have YOU thought about what the future might look like?

Iramoo Artist in Residence Rayna Fahey is inviting YOU to share your vision of the future as part of an exciting new arts project.

We're looking for your sketches, drawings, poems, and words.... any way you would like to express what Wyndham Vale means to you... now and in the future.

Will there be rocket ships? What will new houses look like? How will the natural beauty of Wyndham Vale be cared for? What would you like to see here?

YOUR vision will be transformed into a giant embroidered map to be stitched by Rayna alongside local residents, crafters and artists.

To contribute, use the space on the back of this flier and fill it with your drawings and text then...

Drop it off to Iramoo Community Centre (Honour Ave) or the Eco Living Centre (Ridge Road)

Post it to Bec Cole, Arts and Cultural Development, PO Box 197 Werribee 3030

Email to rayna@radicalcrossstitch.com

Be sure to get your contributions to us by FRIDAY 8TH JULY to be included in the map.

Tell us about YOU (if you would like to)...
